Item ID Name: Beauty Tear

Notes: This glittering crystal has a very strange effect on its owner. If the crystal is kept in plain sight (encased in a ring, sewn on a dress, etc.), it makes the owner appear extremely beautiful. The hero is granted +4 Charisma, regardless of any other modifier. In truth, the gem is sucking the owner's beauty away; the possessor must make a Vigor roll every month or suffer -1 to his 'read' Charisma. When it drops to -2, the hero gets the Ugly Hindrance, because all his hair falls out and his skin starts breaking up. Note that, as long as he owns the gem and keeps it visible, this Hindrance doesn't apply, and the hero continues to use the +4 Charisma given by the gem's magic. Only when the gem is destroyed can the Ugly Hindrance be removed, through a successful Vigor (-4) roll, which can be tried every time the hero gains an advancement.
